

Splash

Splash is Hong Kong's only charitable organization teaching low-income communities how to swim.

- Splash runs learn-to-swim classes for domestic helpers and local kids
- Splash's 12 hr Beginner programme is designed to make someone water safe with a basic introduction to freestyle
- Splash has created a network of professional teachers and trained volunteers
- We run over 50 programmes per year at international schools, private clubs and public pools throughout Hong Kong

SINCE 2015

Over **2,200** people taught to swim

150+ volunteers trained

90% of adult graduates can pass a water safety test and swim 25 m
