

SPLASH DASH RELAY 2024

TEMPLATE MESSAGE FOR TEAM RECRUITMENT

Hey!

Let's get a team together for the Splash Dash Relay that is coming up on 28th April.

We need to get together 3-4 teammates and we will be matched up with 2 people who have learned to swim with Splash. We'll swim in a relay for 30 mins for most laps swum.

Splash is a charity teaching children and adults from under-resourced communities to swim for free. Swimming is a life skill but it is still inaccessible to many.

To enter, our team will have to fundraise a minimum of (HK\$5000 or HK\$10,000 - for corporates). Registering and setting up a fundraising page is easy to do.

Hope you'll agree to be on my team. I wonder how many laps we can swim in 30mins!
